

Smilers Extra

***Please Note** - Lunch club needs to be booked and paid for in advance - please check availability with an Auntie.

Curriculum

During this term we will be thinking about ourselves. We will be encouraging the children to note how they have changed and grown from a baby (bring in a photo of them if you are able), how tall they are, what colour their eyes and hair are and also how they are different and unique. We will have a display on the wall to which we will add the baby photos - please.

Smilers Pre-School

Term 3 - 2024

☺ Welcome to Smilers Extra - a newsletter just for the older children.

During the afternoons we look at areas of learning through the curriculum and use games and activities to introduce these to the children in readiness for school.

☺ This term hopefully we will be walking a little further afield and we will need your help please!

Each afternoon for a week we will walk to a different location, it might be around the local area using a map or looking out for something. It might be to the Co-op, the Cafe or the Library in the village and/or a ride on a bus.

Please help if you are able, as without sufficient adult numbers we may not be able to go. At the library the children will be read a story by the librarian and will be able to take a book if they are a member.

At the Co-op they will be able to do some shopping and help pay for their own items!

☺ This term we will do some woodwork. We have child sized hammers and saws and small pieces of wood for the children to create something - this activity is supervised by an Auntie!

☺ Please remember to pay for the children's lunch clubs when you receive your invoice, it helps us to know how many children are staying each day - thank you.

☺ Don't forget to take a library book home if you would like one.

Walks

The walks for this term will be **W/C 5th February** - every afternoon.

Please see separate sheet if you are able to help.

Please make sure they have suitable clothing and footwear.

PE Sessions

We encourage the children to take part in physical activity and help them to learn how their bodies work and to recognize how exercise affects them.

We take them down into the church and do some warming up and stretching movements, leading to more vigorous games. For this we encourage the children to remove their shoes and socks.

PE sessions for this term will be **W/C 29th January** - every afternoon.
